

Sports Premium Report 2017-2018

What is Sports Premium?

The government is providing additional PE and Sport funding for the academic year 2017-2018 to continue improving provision of physical education (PE) and sport in Primary Schools. Schools must spend the additional funding on improving their provision of PE and sport, but they will have the freedom to do this as they wish.

To ensure sustainability and effective use of this investment, it is important that we invest the money in a range of ways that **aim to:**

- Increase engagement of pupils in sport
- Raise the profile of PE and Sport in school
- Increase confidence, knowledge and skills of staff across school
- Broaden the range of sports that are offered to pupils
- Increase participation in competitive sport
- Provide new resources and outdoor facilities

At St Ambrose Barlow Primary School we believe that all pupils leaving our care should be physically literate with the knowledge, skills and motivation necessary to equip them for a healthy lifestyle and lifelong participation in sport. We consider an innovative, varied and well-balanced PE curriculum and extra-curricular opportunities can have a positive impact on the pupils' concentration, attitude and academic achievement.

For the 2017 to 2018 academic year, there is a new condition requiring schools to publish how many pupils within their year 6 cohort are meeting the national curriculum requirement to swim competently, confidently and proficiently over a distance of at least 25 metres, use a range of strokes effectively and perform safe self-rescue in different water-based situations.

As of March 2018:

What percentage of our current Year 6 cohort swim competently, confidently and proficiently over a distance of at least 25 metres?	97%
What percentage of our current Year 6 cohort use a range of strokes effectively (Including front crawl, backstroke and breaststroke)?	83%
What percentage of our current Year 6 cohort perform safe self-rescue in different water-based situations?	72%
Schools can choose to use the Primary PE and Sport Premium to provide additional provision for swimming but this must be for activity over and above the national curriculum requirements. Have you used it in this way?	Yes

For the Financial year 2017-2018 St Ambrose Barlow will have received £16,917.

The table below shows the spending or intended spend and impact for the Academic year 2017/2018.
