

St Ambrose Barlow Catholic Primary School

Accessibility Plan 2016 – 2019

We want all our children to enjoy their time at St Ambrose Barlow, and to be challenged to achieve their very best. We want them to consider their time at our school as their own 'learning adventure'. At our school, we are committed to giving all of our children every opportunity to achieve the highest of standards. We do this by taking account of pupils' varied life experiences and needs. We offer a broad and balanced curriculum and have high expectations for all pupils. The achievements, attitudes and well-being of all our children matter.

Purpose of Plan

This plan shows how St Ambrose Barlow School intends, over time to increase the accessibility of our school for all disabled pupils, staff, parents / carers and visitors.

Definition of Disability

A person has a disability if he/she has a physical or mental impairment that has a substantial and long term adverse effect on his/her ability to carry out normal day to day activities.

Background

The SEN and Disability Act 2001 extended the Disability Discrimination Act 1995 (DDA) to cover education. Since September 2002, the Governing Body has had three key duties towards disabled pupils, under Part 4 of the DDA:

1. not to treat disabled pupils less favourably for a reason related to their disability;
2. to make reasonable adjustments for disabled pupils, so that they are not at a substantial disadvantage;
3. plan to increase access to education for disabled pupils.

This plan sets out the proposals of the Governing Body of our school to increase access to education for disabled pupils in the three areas required by the planning duties in the DDA:

- a) Increasing the extent to which disabled pupils can participate in the school curriculum;
- b) Improving the environment of the school to increase the extent to which disabled pupils can take advantage of education and associated services;
- c) Improving the delivery to disabled pupils of information, which is provided in writing for pupils who are not disabled.

It is a requirement that our accessibility plan is resourced, implemented, reviewed and revised as necessary and reported on annually. Below is a set of action plans showing how St Ambrose Barlow School will address the priorities identified in the plan.
