

# CLASS NEWS Year 3

## Autumn 2

Year 3 held a democratic vote to elect two pupils to represent Year 3 on the School Council.

I was really excited when we learned about animal skeletons. I was surprised because the skeleton didn't look like the outside of the animal.

*Kane MacDonald*

I felt really excited when I was elected to be Year 3's representative. I have good listening skills and I am very polite: I don't talk over people. I will be able to speak very strongly on behalf of Year 3.

*Scarlett Knipe*

I was really pleased to be elected to represent Year 3. I have good ideas and I can teach people how to be fair. I am good at convincing people to change their minds and try new things.

*Bryn Williams*

I was really excited about the vote because I have never done a vote before.

*Hamlin Kanichayi*

I really enjoyed learning about how our muscles work. I also liked learning about our skeleton and what the names of the bones were called.

*Anna Richardson Williamson*

I enjoyed reading about Charlie winning the chocolate factory.

*Cameron Hanley*

***Reading is great! It's just a matter of finding the right book!***

### **Remember:**

- Swimming continues every Thursday afternoon – please remember to cover pierced ears or remove earrings. Children may wish to bring a hat when the weather becomes colder.
- P.E. continues Friday mornings – please remember to bring a fleece or jumper for lessons that take place outside.
