Dear Parents/Guardians

CAR PARKING

It has been reported to us **again** that parents continue to park inconsiderately in South Lane, preventing access to driveways, also on High Street when dropping off and collecting children from school. This is particularly a problem during events being held in school. Residents are having problems accessing their properties, getting verbal abuse and damage caused to their vehicles. We would ask you to be courteous to our neighbours when parking. Please do not obscure residents' driveways or pavements. Please note that the car park at the top of South Lane is a private car park with spaces allocated to the residents of the flats and as such cannot be used by parents at any time. This issue is now being escalated by concerned residents who inform us that photographs have been taken and forwarded to the relevant authorities.

We have the support of the local Police liaison officers who could be in the area at these times in the future. The safety of our children is paramount, and our care and consideration of our neighbours is also very important to us.

As an alternative we continue to have kind permission to use the Church car park.

Thank you for your co-operation in this matter.

Yours sincerely

Mrs E Warren
PA to Headteacher
