last day of the  
half term

5<sup>th</sup> November -  
United Utilities  
Visit

9<sup>th</sup> November -  
Parent Assembly

21st November -  
Robinwood

Welcome back for a brand new school year! I hope everyone had a relaxing and enjoyable summer holiday. You have all made a motivated and productive start and I look forward to the year ahead. We have lots of hard work ahead but of course lots of exciting things planned too. With the play, transition activities, visitors to school and trips we have plenty to look forward to. Our current 'Come and See' topic is Loving those around us.

We will explore how our actions as givers and receivers of love can have a huge impact on the world and its people. Our topic for this half term is the Maya. We will use a number of research, written and practical approaches to find out more about this ancient civilisation.

Mr Alexander will be teaching Science in Year 6 this half term and the main focus will be the circulatory system. It would be lovely to see everyone at the Welcome Mass next week. Please do come and speak to me if you have any questions.

Finally, please remember the following:

- Homework is set weekly and should be returned each Tuesday fully completed.
- Children should read with an adult each night, record it in their diary, and return it to school each day.
- PE is on a **Friday afternoon** and pupils should bring in full school PE kit to wear. No earrings please!

'Even the smallest person can change the course of the future' J.R.R. Tolkien
