

CLASS NEWS

Year Two

February/March 2019

Party time!!

You will all shortly receive an invitation for our party to celebrate the end of our cooking topic. This will be an opportunity for you to sample the food the children have been preparing across the topic. We are currently in the process of finalising our budget and recipes. We are very excited to host our party and can't wait to see you there!

School trip

Year 2 will be visiting Jodrell Bank on the **3rd April**. The children will look at the life of Tim Peake and discover what it is really like to be an astronaut. Further information will follow shortly.

This is to link to the children's English topic based on space and dark themed texts. Please feel free to bring any books into school that follow this theme so that we can all enjoy sharing them!

Year 2 RE Celebration

The children are inviting you to join an RE celebration on the **29th March** at 9.10am in the hall.

History topic

The new History topic will be based upon 'Great Explorers' with an emphasis on Christopher Columbus and Neil Armstrong

Here is what some of the children have said about Year 2 so far!

"I enjoy learning because I like school so much."

"I enjoy learning because it's fun!"

"I have loved looking at addition and subtraction because I like it when we look at large numbers."

"I like a challenge because it makes me think and I don't want to do easy work!"

"I have enjoyed learning all about habitats in Science. I liked looking for micro habitats on the school field."

"Cooking has been fun because it's tasty when we get to eat them!"

"I love RE because I like looking at all the stories in the Bible about Jesus."

"I have enjoyed learning about Africa."

If you have any concerns or need any clarification about anything please feel free to come and see us. Our door is always open!

Dates for the Diary

World Book Day - 7th March
Infant Good Shepherd - 27th March
Break up from school on 5th April for 2 weeks (Easter holidays)
