

CLASS NEWS Year 3

Autumn 2

R.E. Come and See

Our 'Home' topic went really well and the children enjoyed sharing their learning at the end of the topic with our reflective class celebration.

Our current topic is 'Promises'. We have talked about how to make a good promise and also about keeping promises. Our discussion led to making sure our promises were safe and had positive outcomes.

Our RE topics link to many themes that are covered in Personal, Social, Health, Citizenship and Economic Education (PSHCE) and usually begin with a discussion that includes some aspect of PSHCE. The RE topics are taught over a 4 week period on a daily basis.

Accelerated Reader:

This is a new program we are using so there may be some technical issues. If you have trouble logging on or have mislaid the password, please contact me as soon as you can so I can try to solve the problem! The program is tracking the children's reading frequency and their comprehension so that teachers can address any gaps.

Maths Workshop for Parents:

Monday 2nd December 2019: 3.40pm in Year 3 classroom – all welcome. The workshop will be interactive with parents completing maths work set for Year 3 children as I teach the strategies for addition, subtraction, multiplication and division. The workshop will last between 30 minutes to 1 hour depending on your questions and whether you can beat your

children for speed!!! It will be as fun as I can make it!

NOTES FOR YOUR DIARY/REMINDERS:

- **Sunday 1st December 2019** St. Ambrose Barlow Church: Family Mass 11:00 am – all welcome
