## Year Four

### Autumn 2

Year 4 worked really hard last half term and had many positive things to say about what they learned:

I loved learning about the Romans and our trip to Chester

I liked creating my own storybook

Year 4 enjoyed our history work on The Romans and had a fantastic trip to Chester. We have a few more things to learn about the Romans this half term.

Our next topic will be Where would you choose to build a city? This topic will be focused on developing skills in Geography.

Our next 'Come and See' topic is 'Gifts' and is linked to Advent and Christmas. We will explore what we wonder about the gifts of love and friendship. We will make links between the Scripture texts and give reasons for the religious actions and symbols connected with Advent and Christmas.

In our science work we will develop our knowledge and understanding of circuits and conductors, exploring the question "How would we cope without electricity for one day?"

We are continuing to learn to play Samba. A concert has been scheduled for **Thursday 12<sup>th</sup> December @ 2.15pm** and parents are most welcome to attend.

Finally, please remember the following:

- Correct money for toast and fruit (20p each)
- Purse for money
- Homework is set on a Friday and should be returned by Wednesday
- Homework reading book – 5 to 10 minutes per night (please return to school)
- PE is on a Friday morning Please ensure your child comes to school in PE kit. No earrings please!
