Many thanks

We would like to change our role play into a Police Station or a doctors and the children will have opportunity to dress up and act. If you can think of anything that may be of use to us please donate. We are really grateful for any contributions, (clip boards, note pads). Please continue to practice the keywords, reading and writing them and any extra practice you can give your child in responding to a letter sound or name with the symbol the easier this will become. The wow stars have been really effective this year thanks to you all. Look out for the letter regarding our school trip in June.

Thank you for your support
