

Dear all,

CASH for CLOTHES

Following the success of the first cash for clothes collection in September we have decided to run a further four collections. The first of which is this coming **Monday 5th October**. Roberts recycling will again be collecting good condition second hand clothes, shoes, bags and jewellery. Please note that bedding, blankets etc are not accepted. If you have any of these items that you would like to get donate please bring them in a tied plastic bag with you at school drop off time, there will be a designated area for you to drop the bag (along the one way system). Roberts recycling will then collect the donated bags, weigh them in and the money raised will go towards the outdoor improvement plans.

There is a full list of what will and will not be accepted attached. Please feel free to direct any questions about this to me or the PTA via the office.

There are some restrictions with the current situation surrounding Corona virus, the bags must be tied up, and there is only capacity for receiving donations during the morning of the 5th October at school drop off time. School will not be able to hold donated bags beforehand.

There will be another collection date in November if this one isn't convenient.

Thank you in advance

Jen and the PTA team.
