

# Year 6 News – Autumn Term 2020

Welcome back to school to all the children and parents in Year 6. With such a crazy year last year, it is straight into it and hitting the ground running. There is lots of work to be done and we will all be supporting the children in our 'Recovery Curriculum', to deliver any catch-up areas that are needed. If you ever want to just pop in for a chat or discuss something directly with me, my door is always open – or best to call or email at present!!!

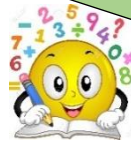

## Come and See

Our Come and See topic this term is 'Loving' and we will explore how people love and care for each other, and how God's love is unconditional.

## Meet the Teacher

This year's 'Meet the Teacher' is cancelled due to the restrictions on face to face contact during the pandemic, however, please find the slides for the meeting uploaded to SeeSaw. You should now have received your account details and passwords. Any concerns that you or the children may have, I can be contacted through the online platform.

## English

- In English, we will be looking at:
- Grammar and Punctuation,
  - Weekly spelling (Sent home by Mrs Kearns),
  - Reading Comprehension (analysing texts)
  - Wizard Writing (varied genre) – with Mrs Withers

## Maths

In Maths, we will be looking at lots of new topics, whilst revising over previous units. There will be a huge emphasis on Arithmetic (addition, subtraction, multiplication, division, fractions, decimals and percentages etc). Learning and being confident with their times tables is really important.

Thank you for your support,  
Mr Howard and Mrs Dewhirst

## Clubs

There are currently no clubs on at the moment, but I do intend on providing a '**Maths Club**' for Year 6 on a Monday Evening from 3.30pm – 4.30pm at the earliest opportunity. This will be a small group that will be selected and rotated with different children throughout the year – this will also begin to aid the missed curriculum during the last academic year. As soon as provision is able, I will send out details and allocate places. This provision is not compulsory, but will aid the process towards recovery.

## Online Platforms

You should have all received the details and passwords for our online accounts via the children, in the form of a letter. There are also some details in the back of the School Planner for the children's accounts. Please let me know if you have not.
