

CLASS NEWS

Year Four

Autumn 2

Year 4 worked really hard last half term, and had many positive things to say about what they learned:

I loved learning about the Romans

I liked creating my own storybook

Year 4 enjoyed our history work on The Romans. We have a few more things to learn about the Romans this half term.

Our next topic will be focused on developing skills in Geography and will explore the United Kingdom.

Our next 'Come and See' topic is 'Gifts' and is linked to Advent and Christmas. We will explore what we wonder about the gifts of love and friendship. We will make links between the Scripture texts and give reasons for the religious actions and symbols connected with Advent and Christmas.

In our science work we will develop our knowledge and understanding of circuits and conductors, exploring the question "How would we cope without electricity for one day?"

We are continuing to learn to play xylophone. A concert cannot be scheduled due to Covid restrictions but I will upload highlights of our performances on Seesaw shortly before Christmas.

Finally, please remember the following:

- Homework is set on a Friday and should be uploaded to Seesaw by Wednesday
- Homework reading book – 5 to 10 minutes per night (please return to school)
- PE is on a Friday morning Please ensure your child comes to school in PE kit. No earrings please!

Diary Dates

- 26th November:** School photographs
- 16th December:** Christmas Dinner
- 20th December:** Last day of term.

Thank you for your support,
Mrs Mitchell.
